Case no.: 15-13369

Debtor.

Chapter 13

DEBTOR'S MOTION

TO WAIVE APPELLATE FEES

To the Honorable Judge Joan Freney, Bankruptcy Judge:

I, Andre Bisasor, the Debtor herein, make this Motion to
Waive appellate fees.

In support of this motion, I respectfully represent the following
I am unable to afford the cost due to the negative impact on my finances. I previously
filed a motion to waive for the notice of appeal on the creditor stay ruling and am aware
of the need to submit updated schedules before a ruling will be made. I am in transition currently
and will need to submit updated schedules once ^{I'm} settled. In the meantime, I am filing this
notice of appeal and motion in order to preserve my appellate rights since the court
granted an extension until today's date to file a notice of appeal on Judge Freney's 10/19/15
ruling. Also, negotiations with GreyStar have progressed and is near reaching a settlement agreement.
WHEREFORE, the Debtor prays that this motion be ALLOWED.

Respectfully submitted:

THE DEBTOR
